

## The future is ours to see: #OnlyTogether

### Students Short Film Competition 2021

**this human world** – International Human Rights Film Festival 2021

#### Project description

#### Students Short Film Competition *this human world* 2021

The International Film Festival on Human Rights *this human world* (thw) will hold the **Short Film Competition on Human Rights 2021** under the auspices of the United Nations Information Service (UNIS) Vienna, the United Nations High Commissioner for Refugees (UNHCR) in Austria, the Climate and Energy Fund Austria and the Chief Executive Office of the City of Vienna for European and International Affairs in cooperation with schools in Austria, Hungary, Slovakia and Slovenia.

Students from 10 to 20 years old are invited, as a class or individually, to develop **short films** inspired by the articles of the Universal Declaration of Human Rights. After a year in which inequality and challenges have become ever more evident, we want to emphasize the importance of solidarity and cooperation. The multitude of conflicts in recent years have shown that cooperation which exceeds borders, sectors, and generations is needed in order to face them.

Hence, the theme of this year's competition: **We can see our future #OnlyTogether!**

#### **#Onlytogether we can...**

- ... **save our planet**
- ... **live in peace**
- ... **fight inequalities**
- ... **stand up for our rights**
- ... **build an inclusive society**

#### **The following questions can serve as a starting point:**

1. What kind of future do we want to create?
2. What are we doing to create our future respectfully, thoughtfully, and free of violence?
3. What and how do we consume? How do we handle the supply of cheap goods in areas like lifestyle and nutrition etc.?
4. How can we jointly address global displacement and avoid people being forced to flee due to economic and political conflict or climate change?

The aim of this competition is to bring human rights and the Universal Declaration of Human Rights with its 30 articles closer to young people, giving students an opportunity for critical reflection on these issues and offering a platform for young, committed filmmakers to present their work.

The film submissions will be reviewed by an international jury. The short film, which is awarded the Jury prize, will be shown in the framework of a movie night within the international film festival **this human world**, which will take place from the 2<sup>nd</sup> until 12<sup>th</sup> of December 2021 in Vienna/online.

After numerous and qualitatively outstanding submissions in the last twelve years, we are looking forward to inspiring and exciting contributions from individual students or group works from school classes again in 2021. The competition will be internationally advertised by the UN partner organizations and announced among local educational institutions in Austria, Hungary, Slovakia and Slovenia.
